*Teachers enjoy dressing up along with children. Mary Poppins is portrayed well by our own Ms. Tibbits. We love sharing the joys of childhood with students every day and especially on holidays.*

## **Excuses**

A written excuse is required for absences from school. The excuse must include the student's name, the date(s) that he/she was absent, the reason for the absence and the signature of the parent or guardian. Students arriving to school late or leaving school early also need written excuses.

## **EngageNY**

The New York State Education Department website [engageny.org](http://engageny.org) is an excellent way for parents and families to learn about education in NYS. This website provides many resources to assist in understanding education reforms and initiatives. The website has parent toolkits and videos along with answers to frequently asked questions. I encourage you to visit [www.engageny.org](http://www.engageny.org) and view the materials available there.

## **The power of modeling good behavior**

Children learn quickly from watching the behaviors of others. Adults promote positive behaviors through the modeling of behaviors which they desire in children. When children watch an adult being kind and patient with others they learn from this and replicate it. When children watch adults avoid walking between cars and buses the children learn from this and are more cautious around vehicles. Children learn from role models on TV, computers and video games also. Are the characters in the TV programs, computer programs and video games modeling the character traits you want your child to display?

## **Dismissal changes – by 2PM**

Changes from the normal method that your child uses to go home need to be submitted in writing. Any person picking up a child from the school must show identification. Changes in pick up may be faxed to 844-3826 or emailed to [freeattendance@dryden.k12.ny.us](mailto:freeattendance@dryden.k12.ny.us) prior to 2PM. A written note may also be sent in with your child.

## **Dates to Remember**

# Boots and Snowpants

**Should be sent to school daily.**

Recess time at school is outside whenever possible. The play area is often wet and/or muddy. Students are asked to bring boots and snowpants to school daily to wear outside during the winter and spring months even when there is no snow. This prevents students from having to wear wet clothing throughout the rest of the day and assists us with keeping the floors and rugs clean for our students.

Thank you.
